

## **Evacuation Kit**

- Evacuation kit is packed and always ready in it's designated place before any event.
  - Supplies are in easy to carry containers (rolling duffel bag, backpacks, roller bags) that I/we can personally lift and carry. Items may need to be placed in multiple bags to ensure I/we are able to move them.
  - Label any equipment, such as wheelchairs, canes or walkers, oxygen carriers, diabetic supplies, etc., with your name, address, and phone number.
  - I/we check the kit every 6 months to check expiration dates and to rotate out food, water, medicines, and batteries
  - I/we conduct a 10 minute evacuation drill every spring and fall
-

## **Basic Emergency Supply list**

- Water
- Non-perishable food and snack items
- Infant formula and diapers \* if you have visiting younger families
- Cash and change
- Air masks for every person: N-95 or N-100
